Goodbye!

Thank you from Steve Glassman – I just wanted to take a moment to thank each and every one of you who have emailed, phoned, and stopped me on the property to express such gracious sentiments. It is so truly appreciated and I am very grateful for your kind words. These past three years have been the busiest in the history of the Shore Club and I am so very proud of what we have all accomplished – just look around! I step down from the Board with the inner satisfaction and peace that comes with a job well done. My sincere hope is that new people with a fresh energy, common sense, and talent will step forward to guide our Association through the years ahead so that we maintain what we have built and continue to improve where necessary. Again, thank you! I'm off to the pool to RELAX.
